

Big Fun! Small Price!

FUNDRAISING IS EASY!

What better way to start the summer than doing a fundraiser that is **FUN** for **EVERYONE!**

Participating organizations can earn money by selling discounted tickets to the Long Island Game Farm.

How the Fundraising Program works:

The Long Island Game Farm will offer your organization the ability to sell discounted tickets to your members and their families while generating revenue for the organization. Each member in your organization will receive an order form. Members will return the order form and payments to the fundraiser's organizer at the end of your sale. Your organizer mails in the final ticket orders along with payment in full (must be a check or money order; third-party checks will not be accepted). The Long Island Game Farm will send you the total tickets purchased within 15 business days.

But that's not all... Participating members have the opportunity to win **GREAT** prizes!

Members that raise \$750 will receive a family four pack admission.

Members that raise \$1,500 will receive a family four pack package.

The family package includes admission, one carousel ride and one student-sized animal food for children 11 years of age and under.

Members that raise \$2,500 will receive a family season pass for four people.

Amount raised is based on the total amount paid on the individual's order form.
