

Daily Spring Schedule

Welcome to the Long Island Game Farm. Thank you for supporting us with your families for 46 years! Springtime is the time when you may witness the miracle of birth in our Nursery. All the animals are happy to see you after the long winter. Thanks for visiting!

Be sure to come back in the summer to see David Rosaire & his Pekingese Dog Show which has toured around the world! Plus, our summertime guests will have arrived: giraffe, zebra and some more lemur families.

Today's Schedule: each session lasts about 20 minutes and is located at the animal's enclosure. Fascinating facts, Q & A time & photo op.

Catskill the Camel: 11:00 & 3:00

Ring-tailed Lemur Feeding: 11:30 & 1:30

Cougar Snack Time: 12:00 & 2:00 donated by the Catskill Game Farm.

Meet BIG Rep the Game Farm Gator: 1:00 & 3:30 (4 new gators will be joining him soon!)

Important Visitor Hints: Take your time watching the animals as you will see interesting things. Nature takes its time and it's worth the wait. Move slowly and only use our animal food for the health of our animals. Please do not cross any fences for safety. Spring can be chilly and babies are on their way so we welcome you to come into the Nursery barn where you can visit and learn about the goats, sheep and bunnies.

- Hand wash stations are next to the Nursery & Snack Bar.
- Ride tickets are for sale at the Gift Shop
- Family Fun Packs are a great way to save or to give as a gift! Find out more about them at our ticket booth or on our website.
- Birthday Parties and Group Trips are a Long Island tradition and one of a kind! More info on our website or call Scarlett at 631-878-6670.
