

Squawk! The Bird Show Comes to The LI Game Farm

Exciting things are happening at Long Island Game Farm — Wildlife Park & Children's Zoo for its 50th season! The park is thrilled to announce a new event, Squawk! The Amazing Bird Show! The show is included in admission and starts

on Thursday, May 23. Squawk! will perform twice a day on weekdays and three times a day on weekends and holidays until September 2.

Squawk! is a one-of-a-kind show filled with amazing tricks, great "talkers" (the parrots, that is), and lots of fun and laughs suitable for the entire family! You won't believe what these super-smart parrots can do. They can solve puzzles, paint masterpieces, perform card tricks and even read the mind of an audience member! The birds of Squawk! are magnificent Macaws, amazing Amazons, one incredible Conure and one Cockatoo!

Over two million people have seen the parrots of Squawk! across the United States. The performance is funny, quick-paced and features unique and unusual bird tricks that will leave the audience in awe and talking about it for days!

During the America's Got Talent audition, Piers Morgan, a judge on the show, said, "That was amazing. It was

the most intelligent animal I've ever seen in my whole life. He's incredible!"

In the past, Squawk! has been seen on America's Got Talent in 2011, "Stupid Pet Tricks" on the Late Show with David Letterman, Animal Planet's Pet Star!

and performed in Las Vegas for six years, four of which they performed as a standalone show. Additionally, Squawk! performed for seven years at the Worlds of Fun theme park in Missouri, three years at Marineland of Florida, and three years at the Gulf World Marine Park in Florida.

The birds of Squawk! have also had the pleasure of showcasing their talents at fairs and festivals across the country, including the Iowa, Ohio & Florida State Fairs, and were a featured act in the Pet Comedy Theater in Branson, Missouri. The show even went seaward bound and spent over three years performing onboard the Victory Casino Cruise out of Port Canaveral, Florida.

"The Long Island Game Farm could not be more excited to host these lovely birds and their handlers this season at the park!" said Melinda Novack, Co-Owner, Long Island Game Farm.
